

COUNTRY DOSSIER

ACTION BY THE EUROsocial+ PROGRAMME

IN SYNERGY WITH FOCAL POINTS

The EU cooperates with Peru on issues including social protection and human rights. Peru also actively participates in the EU's regional programmes included in the Multi-annual Indicative Programme for Latin America (2014-2020).

PROMOTING COUNTRY DIALOGUE

As part of the identification mission carried out by the Programme in Peru in 2017, meetings were held with 24 institutions, generating a total of 48 requests for support in its public policies (actions). In 2020, four pre-dialogue tables have been held virtually, due to the pandemic, in order to coordinate requests and monitor actions.

COUNTRY PLANNING

The Bicentennial Plan: Peru Towards 2021 has six strategic lines, in which we are complementing some of its goals:

1. Fundamental rights and human dignity
2. Opportunities and access to services
3. State and governability
4. Economy, competitiveness and employment
5. Regional development and infrastructure
6. Natural resources and the environment

WE WORK WITH:

- ▶ National Civil Service Authority (SERVIR)
- ▶ High-Level Anti-Corruption Commission (CAN)
- ▶ Ministry of Development and Social Inclusion (MIDIS)
- ▶ Ministry of Economy and Finance
- ▶ Ministry for Women and Vulnerable Populations (MIMP)
- ▶ Ministry of Labour and Employment Promotion

Area: Democratic Governance Policies

Line of Action: Public finances

- ▶ Technical assistance for the Spending review on the Family Violence Budgetary Programme in Peru and the regional action to evaluate public spending with a gender focus.

Line of Action: Regional development

- ▶ Support for the creation of Regional Development Agencies to improve vertical and horizontal coordination.

Line of Action: Access to Justice

- ▶ Improving access to justice for children and adolescents with a comprehensive approach to protecting rights in their relationship with the Judicial Branch in Peru.

Line of Action: Good Governance

- ▶ We prepare the proposal for an Integrity Barometer; to ensure that public entities implement Peruvian Technical Standard ISO 37001 on Anti-bribery Management.
- ▶ We contribute to the amendment to the Political Organisations Act, to regulate party financing.
- ▶ We promote the strategy and the promotion of the integrity system in the Peruvian public sector.
- ▶ Strengthening of the new specialised district system on crimes involving the corruption of officials in the Peruvian Judicial Branch.

Area: Social Policies

Line of Action: Social inclusion policies

- ▶ We design the Social Programmes Register (RPS) and the National User Register (RNU) through the implementation of the Social Information Exchange Mechanism (MIIS).

Line of Action: Active employment policies

- ▶ Support in creating an integrated centre of advisory services and support for the formalisation of work and business called Centro Formaliza Perú. In 2019, the Ministry of Labour and Employment Promotion used the Manual as an input for the regulatory instruments for the Formaliza Perú integrated Centres. In the last two months of 2019, 4 centres were opened and, 10 more are scheduled to open in 2020.

Line of Action: Care policies

- ▶ We work with the MSSA to strengthen the Protection Network for the Elderly and People with Disabilities within the framework of COVID-19.
- ▶ The manuals for strengthening strategies for the care of persons with disabilities were delivered to the Unit for Services for the Protection of People with Disabilities (USPPD), which has six attached Residential Reception Centres (CARs) that attend to a population of children and adolescents with multiple disabilities.
