

COUNTRY DOSSIER

ACTION BY THE EUROsocial+ PROGRAMME

IN SYNERGY WITH THE FOCAL POINTS:

Both Chile and the EU share an interest in achieving greater social cohesion, with better opportunities and quality of life for their citizens. Therefore, Cooperation is a priority aspect of their relationship.

PROMOTING COUNTRY DIALOGUE

EUROsocial+ started dialogue with Chile in 2016. A total of 15 public institutions were visited, identifying a portfolio of actions that have been undertaken in subsequent years. Following the change in government in March 2018, a visit was paid in May 2019 to prepare for a future country dialogue round table. In April 2020, a virtual country preliminary round table was held to monitor the actions and new demands.

COUNTRY PLANNING

The Government Plan "Let's Build Better Times for Chile" 2018-2022 has four fundamental pillars, in which we intend to collaborate:

1. A freer Chile that progresses, creating opportunities
2. A fair and supportive Chile to move forward
3. A safe and peaceful Chile to progress and live in peace
4. A Chile for a fuller and happier life

TO SUPPORT SOCIAL COHESION WITH

THAT CONTRIBUTE WITH THE

Consortium led by:

Area: Gender Equality Policies

Line of Action: Violence; sexual and reproductive health; and concepts of masculinity

We are contributing with the incorporation of an evaluation methodology to introduce the gender perspective into the prosecution of violent crimes for the Public Prosecutor's Office. Reinforcement of the training plan for public agents on forms of gender violence against women, accompanying the Ministry of Women and Gender Equality. We are supporting the updating of the methodology and indicators used for the National Gender Violence Survey.

Line of Action: Economic autonomy and care

We are contributing to disseminating good employment practices in relation to Gender Equality in SMEs together with the Ministry of Women and Gender Equality.

Line of Action: Mainstreaming, budget and statistics

Technical assistance for designing the Institutional Gender Policy for the Public Prosecutor's Office's and for preparing a Good Practice Booklet for the judiciary. We are also contributing with the implementation of the Judicial Academy gender plan.

We accompany improvements in the legislative action by the Congressional Gender Equality Commission.

Area: Democratic Governance Policies

Line of Action: Public Finances

Implementation of anti-tax evasion regulations and qualification of territorial tax management.

Line of Action: Regional Development

Design of institutional architecture for the multi-level management of territories and the implementation of regional secretariats.

Line of Action: Access to justice

We are supporting the construction of a specialised criminal defence service model for the first hours of detention and the design and implementation of protocols such as care and protection in complex crimes; defence of migrants and foreigners; specialised defence for women in prison. Implementation of SIRCAVI. Support for reforms: of juvenile restorative justice; the local civil procedure; and the national policy on access to justice. Design of models: health care for people in prison; and care for victims and witnesses.

Line of Action: Good governance

An Anti-Corruption Legal Assistance Centre (ALAC) has been created and a corruption whistle-blower protection system is being promoted.

We support the incorporation of the gender aspect into policies on transparency and access to information. Also in the National Anti-Corruption Strategy by the Comptroller General.

Area: Social Policies

Line of Action: Policies relating to social inclusion and the fight against poverty

We are contributing to the national strategy to overcome homelessness, the Housing First model. We are supporting the Solidarity and Social Investment Fund (FOSIS) in developing methodological tools for the application of the intercultural approach in the management of social programmes with the migrant population in vulnerable territories.

We provide support for the launch of the Social and Human Development Divisions of the regional governments.

Line of Action: Active Employment Policies

We are working on setting up competency certification programmes for the migrant population (SENCE).

Line of Action: Policies relating to youth, adolescence and childhood

We are supporting Chile Grows With You in strengthening its programmes and services, through a comprehensive evaluation, an improvement plan and evaluation methodologies and indicators.

Line of Action: Care policies

We collaborate on drawing up the law on the legal capacity of persons with intellectual disabilities.
